Cambridge Dental Group

Cambridge Dental Group, a multi-disciplinary group dental practice, has been serving the Southeast Michigan area for 35 years. We perform all phases of Dental Care in our Dearborn Heights office. We are specially equipped to service Special Needs patients and their families.

"Special Needs" defines patients who find it difficult or impossible to accept dental care in the traditional office setting due to any of the following:

- Mental or physical disability
- Being unable or unwilling to cooperate
- High anxiety level
- Strong gag reflex
- High medical risk

We frequently encounter families who report that they have been unsuccessful in obtaining quality dental care for their disabled family member. This can be due to a number of factors such as those listed above, or the simple fact that most traditional dental offices are not comfortable or equipped to render high level care to these patients.

Cambridge Dental Group gladly accepts Special Needs patients for comprehensive care. The patient is evaluated and an appropriate treatment plan is formulated. Frequently, Intravenous Sedation is required. In most cases, all of the patient's treatment is completed in one visit.

We recommend a no-cost screening evaluation appointment to review the history and dental needs. Please feel free to call our office at any time to schedule this appointment. We will be happy to answer any of your questions.

Very Truly Yours,

Magnus Wilson DDS

MONTHLY *SENSORY FRIENDLY* FILMS at AMC

AMC Entertainment and the Autism Society have teamed up to bring families affected by autism and other disabilities a special opportunity to enjoy their favorite films in a safe and accepting environment on a monthly basis with the "Sensory Friendly Films" program.

In order to provide a more accepting and comfortable setting for this unique audience, the movie auditoriums will have their lights brought up and the sound turned down, and no pre-views or advertisements will be shown before the movie. Additionally, audience members are welcome to get up and dance, walk, shout or sing - in other words, AMC's "Silence is Golden®" policy will not be enforced unless the safety of the audience is questioned.
