The Arc Advocate

January/February 2017

Dear Members

Happy New Year to all! In addition to a new year, The Arc Dearborn is also welcoming a new staff to our numbers. Kevin Schwartz has succeeded Sarah Jager as our brand new Program Director. Kevin attended our annual Community Program Christmas Party, and we are very happy many of our families and friends had a chance to meet him. We are expecting many great things from him!!!

As we look forward to an eventful and happy new year, we just want to remind you of the wonderful events hosted by The Arc Dearborn throughout the year. In May we have our annual Spring Gala Silent Auction, where you can bid on great prizes while having fun with good friends. In August we have our annual Golf Outing at the beautiful Lakes of Taylor golf course, where golf, a delicious meal, and prizes are par for the course. If online shopping is more your game, you can always support The Arc Dearborn by making your Amazon purchases using Amazon Smile. Use the website https://smile.amazon.com/ch/38-1557401 and a portion of your purchases will go straight to The Arc Dearborn.

We want to thank all of our families, friends, and businesses that have supported The Arc Dearborn throughout the years, and we sincerely hope that 2017 will be one of our best years ever.

Cambridge Dental Group

Cambridge Dental Group, a multi-disciplinary group dental practice, has been serving the Southeast Michigan area for 35 years. We perform all phases of Dental Care in our Dearborn Heights office. We are specially equipped to service Special Needs patients and their families.

"Special Needs" defines patients who find it difficult or impossible to accept dental care in the traditional office setting due to any of the following:

- Mental or physical disability
- Being unable or unwilling to cooperate
- High anxiety level
- Strong gag reflex
- High medical risk

We frequently encounter families who report that they have been unsuccessful in obtaining quality dental care for their disabled family member. This can be due to a number of factors such as those listed above, or the simple fact that most traditional dental offices are not comfortable or equipped to render high level care to these patients.

Cambridge Dental Group gladly accepts Special Needs patients for comprehensive care. The patient is evaluated and an appropriate treatment plan is formulated. Frequently, Intravenous Sedation is required. In most cases, all of the patient's treatment is completed in one visit.

We recommend a no-cost screening evaluation appointment to review the history and dental needs. Please feel free to call our office at any time to schedule this appointment. We will be happy to answer any of your questions.

Very Truly Yours,

Magnus Wilson DDS
